WHAT THE WBA CAN DO -

- Help individuals and churches find needed resources
- Pray for and counsel our Pastors/Ministers as needed
- Help connect pastors without churches and churches without pastors
- Periodic Conferences
 - Previous 2009 conferences:
 - Conflict Management
 - Clerks Conference
 - Conference for financial secretaries and treasurers
- Disaster Relief
- WBA attempts to be responsive to an individual church's needs as requested on a day to day basis
- WBA can plan and promote various conferences/workshops. If we choose to utilize State missionaries, it will be necessary to request their services in advance; preferably six months to a year. While this time frame can be shorter, WBA and the churches need to be aware of the possibility that the State missionaries are not always available.
- Organize Mission trips
